REAL DEAL TRANSPORTER TRUCK & TRAILER INSURANCE

We have two Real Deal Underwriters. First of all NTI underwrite on reduced short-haul rates for Australia wide cover for heavy transporters and/or trailers. This policy gives you the best of both worlds – Australia wide coverage at reduced rates and the backing of NTI Australia's leading transport insurance specialist. With Accident Assist immediate scene of accident assistance for policyholders.

For trailers that are pulled behind normal 4WD's, SUV's etc., we have a Real Deal Trailer Insurance underwritten by CGU. Again this offers very competitive rates which include Australia wide coverage and the protection of one of Australia's largest insurers.

REAL DEAL USA TO AUSTRALIA SINGLE TRANSIT

We have put together a special single transit policy USA to Australia, all Risk including loading and unloading. We have a flat rate of \$375.00 for up to \$55,000.00 landed costs from port USA to Port Australia (Shipping Agent).
